WELCOME Rev. William Burhans

CALL TO WORSHIP Ben Pulaski

One: We gather here to worship our Creator, some of us worship in words, some of us worship with wags and barks.

**All: Some praise with purrs and leisurely stretches, some with feathers, some with scales.**

One: We gather here to open our eyes to God's image in all creation.

**All: Together to find missing parts of ourselves, to be made whole.**

One: Sitting on the earth, sheltered by the trees, accompanied by our pets, let us worship God.

HYMN *All Things Bright and Beautiful* (see words on the back)

GATHERING PRAYER & THE LORD'S PRAYER Kathleen Zagata

*Dear God, we have gathered here to bless and be blessed. Help us to see with your eyes, to recognize the reverence in our pets, the gesture of love and connection that binds us all together as your creatures. Hold us that we may sit before you vulnerable and authentic, yearning to remove the obstacles within that separate us from you. Receive us reconciled and reformed. Encourage us to boldness in the truth and limitless in our love. Hear us as we pray:*

*Our Father, who art in heaven, hallowed be thy name. Thy kingdom come. Thy will be done on earth as it is in heaven. Give us this day our daily bread and forgive us our sins as we forgive those who sin against us, and lead us not into temptation, but deliver us from evil. For thine is the kingdom and the power and the glory forever. Amen*

## All God's Critters Got a Place in the Choir

CHORUS: All God's critters got a place in the choir

Some sing low, some sing higher

Some sing out loud on the telephone wire

Some just clap their hands, or paws,

or anything they got now.

## All Things Bright And Beautiful

All things bright and beautiful, All creatures great and small,

All things wise and wonderful, The Lord God made them all.

Each little flower that opens, Each little bird that sings,

He made their glowing colors, He made their tiny wings.

All things bright and beautiful, All creatures great and small,

All things wise and wonderful, The Lord God made them all.

The purple-headed mountain, The river running by,

The sunset and the morning, That brightens up the sky;

All things bright and beautiful, All creatures great and small,

All things wise and wonderful, The Lord God made them all.

The cold wind in the winter, The pleasant summer sun,

The ripe fruits in the garden, He made them every one;

All things bright and beautiful, All creatures great and small,

All things wise and wonderful, The Lord God made them all.

## For the Beauty of the Earth

For the beauty of the earth, For the beauty of the skies,

For the love which from our birth Over and around us lies,

**(Chorus) God of all, to you we raise this, our hymn of grateful praise.**

For the joy of human love, brother, sister, parent, child,

Friends on earth, and friends above, For all gentle thoughts and mild,

**(Chorus) God of all, to you we raise this, our hymn of grateful praise.**

Special thanks to Cam McPherson, keyboardist and Rick Forzese, sound system.
